Assalamualaikum wr wb

Praise be to God, We extend gratitude to God Almighty, because over His abundance of grace and guidance on this occasion we can follow a series of activities starting from AMAINEC annual meeting and continue with the 3rd AMAINEC International Nursing Conference and the 1st International Nursing Workshop & Conference which are held in health sciences faculty, university of muhammadiyah Surabaya. I hope, all of us will follow this event until to the end of agenda.

We would like to say thank you to AMAINEC, who give as opportunity to become the host of AMAINEC annual meeting and the 3rd AMAINEC International Nursing Conference as well. In this opportunity, we held our 1st International Nursing Workshop & Conference with the theme “Professional Nursing Practice in Free Trade Era: Threat and Challenge”. We hope this event provides an opportunity for faculties in presenting the results of research, articles or ideas and contribute to the world of education, particularly in the environment Muhammadiyah / Aisyiyah organization. Moreover, broadly are the educational challenges nurses in Muhammadiyah / Aisyiyah institutions in the face of ASEAN economic community.

Finally we would like to say thank you to those who have participated in this activity, we also extent our appreciation to the entire committees and the co-hosts who have successes in conducting the whole activities.

Wassalamualaikum Wr Wb
